10	INTERVAL LICENSING LLC,	
11		Io. 2:10-CV-01385-MJP
12		DEFENDANT APPLE INC.'S MOTION O DISMISS FOR FAILURE TO
13		TATE A CLAIM UPON WHICH ELIEF CAN BE GRANTED
14		URSUANT TO FED. R. CIV. P. 2(B)(6)
15		IOTE ON MOTION CALENDAR:
16	N	November 12, 2010
17		
18	Dursuant to Fad P. Civ. P. 12(b)(6). De	efendant Apple Inc. ("Apple") respectfully
19	moves the Court to dismiss Interval Licensing	
		-
20	Infringement ("Complaint"). Interval has failed	•
21	granted for the reasons set forth in Google Inc.	,
22	"Google") joint Motion To Dismiss For Failure	•
23	Be Granted Pursuant To Fed. R. Civ. P. 12(b)(6	
24		erval repeats the same, generic, conclusory
25	allegations as the putative basis for Interval's in	
26	eleven defendants. These allegations fail to con	mply with the pleading requirements set

1	forth in Ashcroft v. Iqbal, 129 S. Ct. 1937 (2009), and Bell Atlantic Corp. v. Twombly, 550
2	U.S. 544 (2007), because the allegations fail to plead sufficient facts to show that Interval
3	has a plausible claim against Apple and the other defendants. In particular, Interval has
4	failed to identify:
5	• the specific Apple products and/or services, if any, that allegedly infringe;
6 7	• the alleged basis for that infringement (i.e. direct infringement under 35 U.S.C. § 271(a), inducing infringement under § 271(b), and/or contributory infringement under § 271(c)); and
8	 the alleged factual support necessary to satisfy each material element of each of the three potential bases of infringement.
10	In short, Interval has sued eleven major corporations and made the same bald assertions that
11	each defendant infringes 197 claims in four patents. As the U.S. Supreme Court noted in
12	Twombly, it is in this type of situation in which courts should use their "power to insist
13	upon some specificity in pleading before allowing a potentially massive factual controversy
14	to proceed." 550 U.S. at 558 (quotation omitted).
15	In the interest of expeditiously disposing of this case, Apple hereby joins in
16	Google's motion and incorporates by reference the authority and arguments presented
17	therein. Accordingly, based on that authority and those arguments as well as the analysis in
18	this motion, Apple requests that the Court dismiss Interval's Complaint against Apple.
19	Apple expressly reserves the right to file its own brief in reply to any opposition
20	filed by Interval.
